Steve Douglas

Dear Judy,

I hope this doesn't sound like I'm talking to one of your dogs ~~or~~ something.

But with your little brown eyes and spirit of perpetual activity you have been one of my favorite sophomores. Keep that common sense method of opening your mouth only when necessary for humor's sake or to create a big impression and you will never lack friends.

Best of luck always. (you've already had good bit of it - getting out of Latin.)

Coretta

Dear Judy,
It has been nice knowing you. I have enjoyed your company. I wish you all the luck in the world.

Dear Judy (me again!)

I just had to write in your Bruin again before I leave. Please remember all the scrapes and jokes we've had between us this past year in both school and summer school. Also don't forget the "yak-sessions" in our backyards and the problems and troubles we've discussed. (after all two Army brats are better than one!)

Lets keep in touch always wherever we may, go or should I say shipped? May God bless you and yours.

Love,
Carolyn
